Executive Headteacher: Mr. C. D'Cunha

June 12, 2017

Dear Parents/Carers,

Year 6 pupils are currently involved in a project called 'Enterprise Week' The idea behind this is to develop team building skills, as well as introducing them to the world of business. In groups they are designing a product to make and sell. Each group has been given £5 and the idea is to make as much profit as possible – any profit made will be used to purchase equipment for Year 6.

The target audience for their products is Key Stage One children. To sell their products to your children, Year 6 will be setting up a market on the field on the afternoon of **Tuesday, June 20<sup>th</sup>**. Year One and Two children will visit the market and be able to buy products of their choice from the Year 6 pupils.

If you are happy for your child/ward to be involved they will need to bring a small amount of money to school (ideally as loose change) on that day. Please place the money in an envelope marked with your child's name and class. A maximum of £2 will be sufficient (many items will be priced at 50p or below).

We hope this will be lots of fun both for KS1 and Year 6 pupils – and perhaps we will see the early beginnings of future entrepreneurs!

Many thanks for your support.

Ms.Headlam  
Year 6 Leader

The *Active Learning* Trust
