Year 6 Parents Consultation Evening Spring Term 2017

Dear Parents,

Year 6 are trialling a new approach to Parents Consultation this term. The idea is that parents will meet the teacher who teaches their child for English and/or Maths. The thinking behind this is you will receive a more personal assessment of your child's progress and the next steps to continue their learning journey. This may mean you have two appointments, one with the Maths teacher and one with the English teacher, if your child is not taught by the same teacher for both subjects.

To support this change in approach, we be offering a choice of three days for the appointments. Tuesday 7th, Wednesday 8th (afternoon only) and Thursday 9th February. These dates and times will be available through the normal process via Parentmail. Parents are requested to leave a gap in their appointments if booking with two teachers to ensure they make the appointment on time. We will also be setting up a feedback facility to tell us what you think about this process.

Further to this we appreciate parents may well want to discuss other areas of the curriculum or pastoral issues with their child's registration teacher. We ask you to do this through the normal channels of making appointments to speak to the class teacher.

If you have any further questions regarding this please contact your child's class teacher in the first instance.

We look forward to meeting with you in the coming days.

Thank you for your support.

The Year 6 Team
