Dear Parents/Carers,

We look forward to meeting and working with you throughout the coming year. The second part of the Autumn term will be taught using links to Magic and Illusions. Therefore in order to engage the children and support their learning we have arranged for a Magician to visit the school on **Monday 7nd November 2016** in the afternoon.

The magician Abra Ca David will be performing magic tricks and Science experiments with the children in class workshops.

The cost of the activity is £1.50 per pupil. **Please could this be brought in on the day in a sealed envelope with your child's name and class clearly written on it.** We would not exclude any pupil whose parent felt unable to contribute, so please contact Mrs.L.De'ath to discuss this. However, I am sure that you appreciate that the school cannot fund events of this sort without the support of parents.

I wanted to give you plenty of notice in advance as it is the second Monday back after half term.

Thank you for your support and we look forward to an exciting and memorable afternoon.

The Year Four Team.

The *Active Learning* Trust
