June 30, 2017

Dear Parent

As part of our Science unit, 'Animals and Humans', the Year 3 children will be learning about animals' diets, bones and muscles. On Tuesday 4th July, a Veterinary Nurse will be visiting school to speak to the children. She will hopefully be bringing in her own, well-trained dog as part of the talk, and if children would like to, they will be invited to pet the dog and possibly listen to his heartbeat. The children will not have to touch the dog, and he will be kept on a lead at all times; he is a regular visitor to schools.

If your child has any allergies or issues with animals please let your child's class teacher know as soon as possible so we can update our central medical record.

Many thanks for your support with this.

Year 3 Team

The *Active Learning* Trust
