Dear Parent /Carer,

It has come to our attention over the last few days some children have been playing in a rough manner before school, which has resulted in children being hurt.

Please could we ask parents to keep a watchful eye out for their children and remind them to be calm before school, so that they can come in ready to learn. Further to this, we would also like to remind parents that the children are not allowed on the trim trail or adventure play area before or after school.

We do have a member of staff out on duty each morning from 8:40 but until the whistle is blown at 8:50 please can you ensure your child's behaviour and safety is over seen. Finally, we would also like to take this opportunity to thank you for your understanding and flexibility with changes to lining up in the morning, due to the windows being replaced.
